Circle of Strength

23rd ANNUAL WOMEN'S FUNDRAISER

September 28, 2024 | 10 AM-12 PM

The Madeleine Parish Hall

Portland, OR

Every fall, a group of dedicated women gather to raise hope and funds for the counseling needs of low-income women and their children. All the proceeds ensure that women and children receive quality and timely mental health services in a caring and compassionate environment.

Since 1986, NCC has assisted over 20,000 people to build a stronger life and future. Thanks to your support, NCC provides financially-insecure, uninsured, and under-insured women and children with:

- individual and family counseling
- linguistically and culturally appropriate therapy for Spanish- and Mandarin-speaking clients
- effective parenting and life skills workshops
- on-site counseling in partnering schools for students who are struggling

A SOURCE OF STRENGTH, A LIGHT OF HOPE

NCC provides equitable mental health care and offers sliding scale fees to anyone in need. As a supporting partner, you can help struggling women and children heal from the mental health impacts resulting from the pandemic and other stressors

- Oregon ranks last in the U.S for access to care for youth.
- Oregon ranks 39th highest in the U.S for women with depression.
- 1 in 18 Oregonians suffer from mental health illness, and 1 in 9 children experience emotional distress.

The need has never been greater.

Join us in creating a circle of strength.
